- 6-1-2 An **AGGRIEVED** is a teacher and/or the Association who is asserting a grievance.
- 6-1-3 A **PARTY IN INTEREST** is a teacher and/or the Association making the complaint and any teacher who might be required to take action or against whom action might be taken in order to resolve the complaint.

- 6-2-1 Good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any step of the procedure.
- 6-2-2 The solution of a complaint by a teacher shall be encouraged on an informal basis. Nothing contained herein shall be construed as limiting the right of a teacher having a complaint to discuss the matter informally with the teacher's immediate supervisor or any other administrator to have the complaint resolved. Any resolution shall be consistent with the terms of this Agreement.
- 6-2-3 In order to maintain a high degree of efficiency in personnel administration, the District and the Association shall inform their respective staff and membership of any change resulting from a grievance decision through a joint communication. Nothing contained herein shall be construed as to exclude the UniServ Director of the Association from representing the aggrieved.
- 6-3-1-1 The aggrieved shall be represented at levels Two and Three by an Association Representative. Mutual notification of who will be in attendance will be given to both parties.

## 6-4 PROCEDURE

- 6-4-1 Teacher grievances alleging discriminatory treatment by the District based on the complainant's race, creed, color, sex, sexual orientation, gender identity/ expression, marital status, national origin, religion, ancestry, age, disability, genetic information, pregnancy or childbirth status, or other status protected by law may be filed either under the District's procedure for resolving discrimination complaints or under the grievance procedure as outlined in this article, but not both.
- 6-4-2 It is agreed that if, at each level of the grievance procedure, no appeal is filed within the time limits provided, the grievance shall be considered to have been satisfactorily settled on the basis of the administration's last decision. Should an administrator not answer a grievance within the time limits specified, the award requested shall be granted, as long as the award is consistent with the expressed terms and conditions of this Agreement.
- 6-4-3 It is important that grievances be processed as rapidly as possible; therefore, the number of days indicated at each level shall be considered as a maximum unless mutually extended, and every effort shall be made to expedite the process. - 6-4-9 Grievance forms shall be jointly prepared and distributed by the District and the Association.
- 6-4-10 Any time limits set forth in this grievance procedure may be extended by mutual agreement of the Association and the District. In order to protect both parties, such an agreement shall be put in writing within a reasonable time.

- 6-4-11 Nothing within these procedures shall preclude the parties from attempting to resolve a grievance at any point in the process.
  - 6-4-12 The written form initiating Level Two shall include a statement of the circumstances giving rise to the grievance, and the articles of the Agreement which are alleged to have been violated, misinterpreted, or inequitably applied. Failure to include a statement of the circumstance shall result in the grievance being declared invalid.
  - 6-4-13 In the event a grievance is filed or in process on or after the last teacher contract day, the parties agree to extend the time limits set forth herein so the grievance procedure shall continue at the beginning of the next school year, by September 30 or a mutually agreed upon date.

The discussion described here must occur before a matter is advanced to Level Two unless the grievance is initiated directly at Level Two pursuant to Section 6-4-6. The outcome of Level One shall be put in writing by the immediate supervisor, and signed by the parties, with a copy of the outcome forwarded to the school supervisor, within three (3) school days from the conclusion of the meeting with the supervisor.

6-7-1 If the aggrieved or the Association is not satisfied with the disposition of the grievance at Level Two, the aggrieved may, within five (5) additional school days following the receipt of the hearing officer's report, request in writing that the Association submit the grievance to Level Three. Level Three is mediation and/or arbitration. If the Association deems the grievance meritorious, or if the Association is not satisfied with the disposition of the grievance or the grievance has not been resolved at Level Two, the Association may request mediation or arbitration of the grievance by giving the District written notice within twenty (20) school days after Level Two is concluded. If the Association is not satisfied with the outcome of mediation or it chooses not to appeal to mediation or if the District does not agree to mediation under Section 6-7-1-1, the Association may demand arbitration of the matter by giving the District written notice within twenty (20) school days after Level Two is concluded or ten (10) school days after mediation was unsuccessful in resolving the issue(s) in dispute, or within ten (10) school days after receiving the District's notice that it does not agree to mediation.

6-7-1-1 In the event the District or the Association does not agree to mediation, either may proceed to arbitration, by giving written notice to the other party within ten (10) school days of receipt of the request for mediation.

6-7-1-2 If the parties are unable to reach resolution upon completion of mediation, the matter may proceed to arbitration as provided in Section 6-7-1.

6-7-2 The mediator and arbitrator shall be selected as in Section 5-6 of this Agreement.

6-7-3 All hearings held by the mediator and/or arbitrator shall be in closed sessions, and no news releases shall be made concerning the progress of the hearings.

6-7-5 The arbitrator shall not have the power to add to, subtract from, or modify any terms of the Agreement or terms of applicable Board Policy, nor shall the arbitrator have the power to decide any issue other than the one of violation, misinterpretation, or inequitable application. The arbitrator's report may be final and binding on both parties regarding grievances submitted to arbitration. However, at the time of submission of the issue to arbitration, the parties must mutually agree to binding arbitration. Should the parties be unable to mutually agree to binding arbitration at the time the grievance is submitted to arbitration, then the arbitrator's report shall be advisory only to both parties, and the parties agree to give good-faith consideration to the recommendations of the arbitrator.

6-7-6 Fees and expenses for the services of the mediator and/or arbitrator, including per diem expenses, actual and necessary travel expenses, and subsistence shall be shared equally by both parties.

## **REDUCTION-IN-FORCE**

Such cancellation of any employment contract must be provided, in writing, to the affected employee.
- 15-3 In the event that the District must contemplate reducing the number of teaching positions within the bargaining unit by more than one and one-half percent (1.5%), representatives of the District and the Association shall meet to discuss a proposed reduction in force. Discussions will include, but not be limited to, possible options, alternatives, the needs of the students, and the probable impact on staff.
- 15-4 When a justifiable reduction in the number of teaching positions within a particular endorsement area occurs, the Superintendent shall consider the last complete final evaluation rating made in accordance with Colorado Statutes as the most significant factor in determining which teacher contracts shall be cancelled first. After performance evaluations have been considered, the Superintendent shall give secondary consideration to the following factors, each of which shall be considered equally:
- Professional qualifications (including endorsements, training, and degrees),
  - Teacher leadership (including Building leadership team, Building hiring team, Leadership training/program, Association leadership, Teacher mentors, Teacher trainers, including adjunct trainers, department chairs, National Board certification),

- 15-5 As provided in Section 15-6 below, teachers who have been subjected to a reduction in force shall have the right to be recalled to a teaching position for which they are qualified within the District for one (1) calendar year from the date of layoff.
- 15-5-1 Teachers subject to a reduction in force who wish to be considered for reemployment

15-5-1-1 Teachers who are offered re-employment shall have seven (7) calendar days from date of receipt of notification to accept or reject the reemployment offer. Failure to respond in writing within the time period shall be considered rejection.

15-6 For one (1) calendar year, when positions become available in specific endorsement areas previously reduced, the District shall recall laid-off teachers according to the program needs of the District. In considering which teacher(s) to recall, the Superintendent or designee shall then consider the same factors as stated in Section 15-4. In the event that two (2) or more teachers have substantially equal qualifications for a vacant position, previous years of service in the District shall determine the teacher appointed to fill the vacancy.

15-7 Upon re-employment of a teacher within one year of a layoff, the teacher's previously accrued benefits shall be restored.

15-8 District professional development opportunities, offered to District employees at no cost, shall be available without cost to teachers subject to reduction in force on a space available basis.

This statement shall be made available to the affected teacher(s) and the Association. In order to uphold the terms of this article, the District shall also notify the Association of the names of displaced teachers and the reason for displacement within seven (7) days of the teacher's notification.

21-3-2 If the Superintendent agrees with the Principal's statement, the Superintendent or the Superintendent's designee will provide written notice of displacement to all displaced teachers by no later than May 1 of that same year, unless unforeseen circumstances require notification after May 1. Notice shall be in writing, shall state the effective date of displacement, and shall be personally delivered or sent via certified mail to the displaced teacher's address of record. The Superintendent or designee shall also immediately provide each displaced teacher an initial list of all vacant positions for which the teacher is qualified. Nothing contained in this Article shall be deemed to modify the "Highly Qualified" requirements of state or federal law.

21-3-2-1 The effective date of displacement shall be the first calendar day after the last day of the current school year. If displacement occurs after the last day of the current school year, the effective date of displacement shall be the date of notice of displacement. Upon receipt of notice of displacement, a teacher may begin applying for transfers to vacant positions in the District.

#### 21-4 PRIORITY HIRING POOL

21-4-1 Commencing July 15 immediately following the effective date of displacement (or if displaced after July 15, immediately after receipt of notice of displacement) any displaced, active non-probationary teacher who, in her most recent performance evaluation was deemed Satisfactory or Effective, and who has not secured a Mutual Consent Placement, shall become a member of a Priority Hiring Pool and will be ensured a first opportunity to interview for available positions for which she is qualified, and for which she applies, before external candidates for those positions are interviewed.

21-4-2 While a member of the Priority Hiring Pool, a teacher shall be eligible to attend any District training which is offered free of charge to other District employees for up to two years after she has entered the Priority Hiring Pool.

21-4-3 The District shall develop and implement a plan for communicating with displaced teachers who have been placed in the Priority Hiring Pool for Effective Teachers which shall include, at a minimum:

- A. Access to a list of current vacancies in the teacher's licensure area and within areas of critical need;
- B. Details regarding the process for applying for the vacancies, and an explanation of the rights and responsibilities of teachers in the Priority Hiring Pool for Effective Teachers;
- C. A clear statement about how long the teacher can remain in the Priority Hiring Pool for Effective Teachers before being released with a letter of recommendation from the Office of Human Resources;
- D. Contact information of the Human Resource staff member who will be providing support;
- F. A clear statement of the entire displacement process; AND,
- G. Access to District email.

## 21-5 HIRING PROCESS/ MUTUAL CONSENT PLACEMENT

- 21-5-1 A teacher may be assigned to a particular school only with the consent of the hiring principal with input from at least two teachers employed at the school and chosen by the faculty of teachers at the school to represent them in the hiring process. After a review of the teacher's demonstrated effectiveness and qualifications, which review demonstrates that the teacher's qualifications and teaching experience support the instructional practices of the school.
- 21-5-1-1 A teacher who secures a mutual consent placement pursuant to this process will be notified in writing within two business days of the decision with a copy to the Association. Any applicant hired will be offered the position immediately and will be expected to fill the position in a reasonable amount of time, to be determined by the candidate and building leadership.
- 21-5-1-2 A teacher who interviews for an available position but who does not secure the position will be notified in writing within two business days of the decision.
- 21-5-2 If a displaced teacher is unable to secure a mutual consent placement after twelve months from the effective date of displacement or two hiring cycles, whichever period is longer, the District shall place the teacher on unpaid leave until such time as the teacher is able to secure an assignment. If the teacher secures an assignment while on unpaid leave, the District shall reinstate the teacher's salary and benefits at the level they would have been if the teacher had not been placed on unpaid leave.
- 21-5-2-1 Notwithstanding anything to the contrary contained in this Article, the first of the two hiring cycles referred to in this Section 21-5-2 shall be the hiring cycle conducted during the school year in which displacement occurs (the "displacement year"). The second hiring cycle shall be the hiring cycle conducted during the school year immediately following the displacement year. In no event will a displaced teacher receive more than twelve months of salary after the displacement year. By way of example, if a teacher is given notice of displacement in March, the teacher will be paid her regular salary through July 31 of the displacement year. Beginning with August of the school year following the displacement year, the teacher will continue to be paid her regular salary and benefits (1/12th of her annual salary) beginning with the August pay period and each month thereafter through July of that school year, after which the teacher will be placed on unpaid leave if she has been unable to secure a mutual consent placement.
- 21-5-3 A teacher may request to be released from unpaid leave status at any time, in which case the Office of Human Resources will provide the teacher a letter of reference and the teacher will be paid any unused, earned, and accumulated leave at the rate defined in Section 9-13.
- 21-5-4 During the period in which the teacher is attempting to secure a mutual consent placement, the district may place the teacher in a twelve month assignment (165 teacher work days/year) or other limited term assignment, including, but not limited

to a teacher assignment, substitute assignment or instructional support role. Such an assignment shall not constitute a mutual consent placement and shall not be deemed to interrupt the period in which the teacher is required to secure a mutual consent placement before the district shall place the teacher on unpaid leave.

#### 21-6 SCHOOL BASED HIRING COMMITTEE

21-6-1 Each building will establish a school based Hiring Committee (SBHC) for the purpose of providing input to the building principal regarding the proposed placement of any displaced teacher into the building. Input includes (but is not limited to) information, ranking, advice, and recommendations for the purpose of assisting the principal in making a final decision.

21-6-2 The SBHC will consist of the hiring principal and at least two teachers elected to represent them in any decision involving mutual consent placements. The teachers will be elected by a secret ballot vote of the faculty held by the principal and the Association Representative (AR). If no AR has been elected by the faculty, the faculty will select a teacher to serve in this capacity. The faculty will determine the number of teachers to be elected. In the event that a faculty decides to have more than two representatives, the faculty and the building administration will collaboratively decide how many and which of those representatives will serve on the SBHC for individual mutual consent decisions. The election results of the SBHC shall be shared with the faculty of the building, Human Resources and PEA within three (3) work days.

21-6-3 The District will provide all members of the SBHC with training so that they are able to discharge their duties appropriately and without bias. Members of the SBHC will be released from their regular duties without loss of compensation to participate fully in the training and decision making of the SBHC, if necessary. Training content and methods will be determined by the District.

21-6-4 At minimum, the SBHC will use the following criteria, independent of any specific franchised education or remediation programs:

- a. The teacher's demonstrated effectiveness and qualifications;
- b. The teacher has the minimum qualifications, including the experience and academic preparation needed to perform the duties for the position; and
- c. The teacher demonstrates that they support the written instructional practices at the school as listed on the job posting.
- d. Other criteria will be discussed by the SBHC.

21-6-5 The SBHC will use non-biased scoring matrices, or other HR approved interview documents. If the SBHC recommendation is modified by the principal, the SBHC will be reconvened for a follow-up discussion.

21-6-6 No representative on the SBHC will be adversely impacted due to their advocacy and/or service on the SBHC.

21-6-7 If a teacher does not secure a mutual consent placement, the district will advise them within two (2) work days that they were not selected.

#### 21-7 RECALL PROCEDURE

If a teacher is displaced and their position, or a comparable position in the same building, opens by October 15 of the following school year, the displaced teacher shall have the right of first refusal to that position before such vacancy is posted.
